Mr. McKnight,

Your assistance would be greatly appreciated. I met with Mr. Bryan Blonar, Assistant Superintendent, from the Boling Independent School District today and it just occurred to me to email you directly in TEA because I don't have all the ISD contacts you most likely already have.

I am looking for your help in **distributing** important **EPA fact sheets** concerning mold remediation, debris segregation, household hazardous waste segregation, etc.. **to ALL school districts in Texas in the Hurricane Harvey affected area.**

Please feel free to call me if you have any questions. My desk number is below.

Sincerely,

Valmichael Leos
